## ABOUT ME

Currently pursuing a Bachelor of Science in Computer Science at Manuel S. Enverga University Foundation while working as a freelance Graphic Designer. Adept in online graphics and image design, combining technical knowledge with creative problem-solving to deliver visually appealing results.

Partnering with clients to create engaging and impactful designs, utilizing tools like Microsoft Office and other design platforms. Passionate about translating ideas into compelling visuals and exploring innovative approaches to digital artistry. Looking forward to expanding professional opportunities in the field.
